

Parent/Infant Programs: 0 to 12 months

Make the Connection

This group program shows you how to best connect with your child, through love, language and learning. Extensive video taping allows the parents to review the positive interactions with their infants.

The Parent-Child Mother Goose Program ®

Is a group experience for parents and their babies and young children which focuses on the pleasure and power of using rhymes, songs, and stories together

Babies in Playland

Stimulating activity stations for crawling and walking babies. Your baby will enjoy singing songs, dancing and exploring.

Toddler Program: 13 months to 2½ years

Tot Stop

It is more than just a play group program. It is designed to grow along with each child and build on their previous experiences through play and interactive activities.

Creative Movement

A fun filled program including song, dance and movement to enhance co ordination, confidence and creativity.

Messy Play

Is a kid's haven for fun filled messy exploration! This program uses a variety of unique materials to strengthen their sensory stimulation.

Pre School Program : 2 ½ — 4 yrs.

What's Cooking

A hands-on kid friendly cooking class that supports development of healthy eating habits. This program changes the way children eat and understand food.

Family Math

A program that uses everyday materials to strengthen their thinking and knowledge of the real world mathematical concepts.

Rainbow Fun

Is a program that uses interactive physical activities to increase their balance, flexibility and overall physical and mental well-being.

Junior School Program :
5 yrs - 7 yrs.

Wings of Discovery

Fosters your child's innate desire to WONDER, EXPLORE & QUESTION. Provides a science based approach to learning skills & Knowledge.

Fit-N-Fun

An exercise based program where drama and songs come together to develop physical, emotional and interpersonal skills. Children are encouraged to be more creative.
